

ROMEVILLE ACADEMY OF THE ARTS

REGISTRATION

Thank you for choosing to enroll in Romeoville Academy of the Arts. Our goal is to enrich our students' lives with the creativity God gave them. We strive for excellence in all that we do.

To find an updated list of the courses we are offering, please refer to our website. Please be aware of our policies for lesson absences and practice times. These are listed on the website also under the fine arts section.

We have scheduled concerts at our facility for the students to attend. We feel that listening to good music will help the students attain their goals quicker. Students are also required to participate in our recitals.

Any questions can be brought to your lesson or class teacher or to me.

Welcome!
